

# Down For You

Christina Milian

[VERSE 1:] Boy you know I'm the type of girl  
Who will always understand  
And whatever you're going through,  
I will always be right there  
But there's just a few things you should know  
I'm not the chick that'll blow ya' spot in front your friends  
'cause I'm cool like that, I'm sayin'  
Maybe your old girlfriend complained  
But baby with me, it's not the same  
You treat me right when we're alone  
You got your own thing when you're gone

[CHORUS:] Baby you know that I'm down for you  
Keep that on the low when you're with your crew  
'cause I know how you feel when it's me and you  
'cause baby you know that I'll hold it down for you

No need to trip when you're with your friends  
'cause you aint gotta hug me or hold my hand  
Baby I'm grown so I understand  
'cause baby you know that I'll hold it down for you  
[VERSE 2] It's kinda funny on the phone when I talk to you  
When I tell you "I love you", and you just laugh and say "me too" (ooh)  
Just the other day when you passed me by  
I could see you were checkin' me from the corner of your eye  
Maybe your old girlfriend complained  
but baby with me, it's not the same  
You treat me right when we're alone  
you got your own thing when you're gone  
[CHORUS 2x] Baby you know that I'm down for you
