Could Have Been You

Hippo

Theyâ€™ll fold me overboard
You toss me the anchor
I nearly lost myself searching for you
Before your motherâ€™s old remind me to thank her
Donâ€™t ever feel alone, my love is meant for you

Heavenâ€™s got a note in mind
I donâ€™t need to waste my time
We should not if only I could choose
It couldâ€™ve beenâ€¦

When all is settled down, I hope youâ€™ll remember
You nearly lost yourself searching for truth
Donâ€™t lose your faith alive, thereâ€™s not truth in anger
We may be worlds apart, but Iâ€™m here for you

Heavenâ€™s got a note in mind
I donâ€™t need to waste my time
We should not if only I could choose
It couldâ€™ve beenâ€¦
