The Idea

Adam and the Ants

I went to the zoo
To look at the animals
The first thing I saw
Was a wall full of handclapsSome wearing green hats
And all sucking chocky bars
So I went and looked at
The three horned chameleonThe ideaHe walked up and down
Just trying to get close to me
A split little hand
Scratching at the glassI looked at the snakes
And I looked at the crocodiles
You'd better show me the man
Who made all of thisThe ideaI could be religious if
You didn't have to kneel down
I could be religious if
A god would say helloI could be religious if
An angel touched my shoulder
I could be religious if
They set the hymns to disco
(Like this)Holy, holy, holy
Lord, God Almighty
God in three persons
Beloved TrinityHoly, holy, holy
All the saints adore Thee
Christ in Three Persons
Beloved TrinityThe idea
