

# So What!

## Tesla

There's things that I've bought  
And there's things I need  
It's more than a thought  
You know you better believe  
I feel it's not what you got  
But what your giving back means  
So much  
Lifes beautiful  
And that sucks  
Hey if you like it or not  
So what, that's all we gotWho cares!  
Your telling everybody that the worlds unfair, well  
So what! So what!  
That's life  
It's time to get real  
It's not paradise, well  
So what! So what!What if you got  
All of your dreams  
But then what if it's not  
Everything  
To you that you always thought  
That it was gonna be  
So what  
Life's beautiful  
And that sucks  
Hey if you like it or not  
So what, that's all we gotWho cares!  
Your telling everybody that the worlds unfair, well  
So what! So what!  
That's life  
It's time to get real  
It's not paradise, well  
So what! So what!  
Who cares!  
Your telling everybody that the worlds unfair, well  
So what! So what!  
That's life  
It's time to get real  
It's not paradise, well

So what! So what!  
Who cares!  
Your telling everybody that the worlds unfair, well  
So what! So what!  
That's life  
It's time to get real  
It's not paradise, well  
So what! So what!
