

Pink Industry

You ask me, you ask me how I got to know you
 Just by speaking on the phone?
 Isn't it crazy how the thought of my touch
 Wakes you up when you're alone?
 Don't you believe everything you hear?
 Darling, focus on the prize
 Don't you hear me whisper in your ear?
 My darling, don't lose sight of my eyes
 It's not time to let go, this is not how
 It's supposed to end in my mind, my baby
 Maybe our intentions were wrong from the start
 So answer me, so we don't fall apart
 I called 46 times
 And you answered on the 47th
 I called you 46 times
 And you answered on the 47th
 You tell me, you tell me, you've never felt so hard
 For an obvious candidate
 You said you hate your last love
 And it's soon enough that you will forget
 Don't believe everything you hear
 Darling, I've never lied before
 Don't you hear me whisper in your ear?
 Forget him, you're what I'm waiting for
 It's not time to let go, this is not how
 It's supposed to end in my mind, my baby
 Maybe our intentions were wrong from the start
 So answer me, so we don't fall apart
 You've even said yourself
 You're setting yourself up
 You've even said yourself
 That everyone would turn
 That everyone can turn
 And you've even told yourself
 That the floodgates would break
 So why are you taking so long to answer?
 It's not time to let go, this is not how
 It's supposed to end in my mind, my baby
 Maybe our intentions were wrong from the start

So answer me, so we don't fall apart
So answer me, so we don't fall apart
So answer me, so we don't fall apart
I called 46 times
And you answered on the 47th
I called you 46 times
And you answered on the 47th
