

Hooked On Love

Homer Banks

Satisfy my need in life, now
Let me hear you say
You'll be lovin' me alright
Until your dyin' daySay it a little bit louder, now
I'm startin' to get in your groove
You've got nothing to worry about
Your love is on the moveI hope some day the light of love
Shines bright upon your face
I don't care who you are
I love the human raceDon't you know that I am hooked on love
Don't you know I am hooked on love
Believe me when I say it, hooked on love
Hooked on loveBelieve me when I say it, hooked on love
Believe me, I'm not mad, hooked on love
Hooked on love
Hooked on love
