

# Stay With Me

Michael Lington

Stay with me  
I remember a prison of all memories  
And I`m drowning in tears  
Come and help me please  
Stay with me Stay with me  
Baby when the lights go down  
I was so crazy  
All the time I made you cry.  
You walked away and never said goodbye  
On and on, on and on  
I guess I lost you Now you are gone.  
I tried to hide the pain,  
But all I see is you  
How can I do it ?!  
I don`t have a clue.  
On and on,on and on  
I guess I lost now you are gone  
I remember a prison of all memories  
And I`m drowning in tears  
Come and help me please  
Stay with me Stay with me  
Baby when the lights go down  
I remember a voice  
That was calling my name  
And I know that someday  
You will feel the same  
Stay with me stay with me  
Baby when the lights go down  
I was so crazy  
All the time I made you cry.  
You walked away and never said goodbye  
On and on, on and on  
I guess I lost you Now you are gone.  
I tried to hide the pain,  
But all I see is you  
How can I do it ?!  
I don`t have a clue.  
On and on,on and on

I guess I lost now you are gone  
I remember a prison of all memories  
And I`m drowning in tears  
Come and help me please  
Stay with me Stay with me  
Baby when the lights go down

That was calling my name  
And I know that someday  
You will feel the same  
Stay with me stay with me
