My Only Friend

Circa Survive

Let fall upon his back
The consequence of giving
Up all that he has had
To anyone who listens
In hopes that you let him in
Pull back the curtains
And tied up the end
Cover the harmless in all the sheep's skin
I know who you areHe wont see your hand
We cut off the hand
Never understand
Have you been waiting so long
I know, no one, ever, gets to control your love
So why fallow anyone?
Every word he says is a lie
No one ever knows the difference
Now he needs to prove it to himself
To anyone,
To anyone who listensIn hopes that you will relieve
Pull out your wallet and show sympathy
Tell him he's everything you wish to be
You know who you are
(You know who you are)He won't see your hand
We took off the hand
Never understand
Have you been waiting so long
I know, no one, ever, gets to control your love
So why fallow anyone?
Why fallow anyone?
He won't see your hand
Reaching out for him
Never understand
How you can wait for so much
I know, no one, gets to control your love
He won't understand
How you've been waiting for him
Why fallow anyone?
