

All Around the World

Oasis

It's a bit early in the midnight hour for me
To go through all the things that I want to be
I don't believe in everything I see
Y'know I'm blind so why d'you disagree? Take me away, 'cause I just don't want to stay
And the lies you make me say are getting deeper every day
These are crazy days but they make me shine
Time keeps rolling by All around the world, you've got to spread the word
Tell them what you heard, we're gonna make a better day
All around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay What you gonna do when the walls come falling down?
You never move, you never make a sound
So where you gonna swim with the riches that you found?
If you're lost at sea, well I hope that you've drowned Take me away, 'cause I just don't want to stay
And the lies you make me say are getting deeper every day
These are crazy days but they make me shine
Time keeps rolling by All around the world, you've got to spread the word
Tell them what you heard, we're gonna make a better day
And all around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay All around the world, you've got to spread the word
Tell them what you heard, we're gonna make a better day
'Cause all around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay 'Cause all around the world, you've got to spread the
word
Tell them what you heard, we're gonna make a better day
And all around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay It's gonna be okay
It's gonna be okay
It's gonna be okay
It's gonna be okay All around the world, you've got to spread the word
Tell them what you heard, we're gonna make a better day
'Cause all around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay All around the world, you've got to spread the word
Tell them what you heard, we're gonna make a better day
'Cause all around the world, you've got to spread the word
Tell them what you heard, you know it's gonna be okay I don't know what I know
What I know, what I know
Yeah I know what I know
It's gonna be okay I don't know what I know
What I know, what I know

Yeah I know what I know
It's gonna be okay Yeah I know what I know
I don't know, what I know
Yeah I know what I know
It's gonna be okay Yeah I know what I know
I don't know what I know
Yeah I know what I know
Pig's don't fly, never say die So things are gonna fly, never say die
Things are gonna fly, never say die Things are gonna fly, never say die
So things are gonna fly, never say die
So things are gonna fly, never say die
So things are gonna fly, never say die
