

The Sick Room

Necrophagia

Enter the room
Without a view
Hacked up
Then consumed
Fresh defiled
Inflicting wounds
Snuff perversions
Limbs removed Sick room
Sick room
Sick room
Sick
Sick room
Sick room
Sick room Choose your victim
Ready to main
Deviant masturbation
Next level to pain
Kill for pleasure
Human insects
Masochistic voyuer
Addicted to death Sick room
Sick room
Sick room
Sick
Sick room
Sick room
Sick room
