

Play Hard

Krewella

(I can play)I can play hard
Catch me at the bar
You're fuckin' with a star 'cause,
I can play hard (a-a-a-a-a-ard)
I can play hard
Whiskey and cigars
You're watchin' from afar how
I can play hard (hard hard hard)(Haaaard)
I can play
(Haaaard)I can play
(Haaaard)Burning holes in the back of my head
Hangin' on to every word that I've said
Got your heart in the palm of my hand
(In the palm of my hand)I can play hard
Catch me at the bar
You're fuckin' with a star 'cause,
I can play hard a-a-a-a-a-ard
I can play hard
Whiskey and cigars
You're watchin' from afar how
I can play hard (hard hard hard)(Ha-a-a-a-ard)
(Ha-a-a-a-ard)I'm in the, I'm in the, I'm in the spotlightOn your knees, got you holdin' your breath
Demons out, but you're better off dead
Bottled up, get it off my chest
(Get it off my chest)I can play hard
Catch me at the bar
You're fuckin' with a star 'cause,
I can play hard (a-a-a-a-a-ard)
I can play hard
Whiskey and cigars
You're watchin' from afar how
I can play hard(I can play)
