

# Long Live Rock 'n' Roll

## Dio

All right  
Rock and roll, yeah  
At the end of a dream  
If you know where I mean  
When the mist just starts to clear  
In a similar way  
At the end of today  
I can feel the sound of writing on the wall  
It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screamin' in my mind  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
Let it live  
In a different time  
When the words didn't rhyme  
You could never quite be sure  
Then on with the change  
It was simple but strange  
And you knew the feeling seemed to say it all  
It cries for you  
It's the least that you can do  
Like a spiral on the wind  
I can hear it screamin' in my mind  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
I'm losing control  
Long live rock and roll  
Long live rock 'n' roll, yeah  
Long live rock and roll  
Look you  
  
If you suddenly see  
What has happened to me  
You should spread the word around  
And tell everyone here

That it is perfectly clear  
They can sail above it all on what they've found  
It cries for you  
It's the best that you can do  
Like a sound that's everywhere  
I can hear it screaming through the air  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
Let it live, let it live, let it live  
Long live rock and roll  
Long live rock 'n' roll, yeah  
Long live rock and roll  
Banners held high with a curse and cry and it's  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
You feel it around, spread it around, make you what just should  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
Live, live, live, live  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll  
Let it live, let it live, let it live, let it live  
Long live rock and roll  
Long live rock 'n' roll  
Long live rock and roll
