

Just Like You

Falling in Reverse

I'm aware that I am an asshole
I really don't care about all of that no
I got nothing to prove
But honestly I'm just like you I'm coming back
I've been this way since 17
I got a fucked up brain
And a really bad attitude
I blame it on my child abuse So you don't want to be
Too close to me
Cause you might see my broken heart I'm aware that I am an asshole
I really don't care about all of that no
I'm living my life
The way that I want to
And you can't deny
That honestly I'm just like you
Just like you
Just like you I came so lonely for the longest time
They tell me that I'm such a loveable guy
Or could it be something I just said? You don't want to be
Too close to me
Cause you might see my broken heart I'm aware that I am an asshole
I really don't care about all of that no
I'm living my life
The way that I want to
And you can't deny
That honestly I'm just like you
Just like you And I'm always stuck with some bad luck
And I hate being fat
She breaks her back And don't tell me I'm not worth it
You are just far from perfect I'm aware that I you are an asshole
I got all of that though I'm aware that I am an asshole
I really don't care about all of that no
I'm living my life
The way that I want to
And you can't deny
That honestly I'm just like you
