

Goodbye (feat. Pierina O'Brien)

The Ugly Kings

Black stains on the ceiling
Red paint on the walls
She's waiting for that feeling
And I'm waiting for her/a call

Don't you know that I'm hurting?
[Don't you know that I'm hurting?]
Can't you see it in my eyes?
[Can't you see it in my eyes?]

I got no excuses, honey
[(But mistakes I'll rectify
Well, my legs they're shakin')]
[I walked those forty miles]
Every muscle achin'
[(Just to hear her say goodbye)]

[-I honestly have no idea-
I've loved from my youth
He stole/sold my soul for a nickel and a dime
And I can't trust with that truth]

[Don't you know that it's over?]
Don't you know that it's over?
[Can't you see it in my eyes?]
Can't you see it in my eyes?

[You'd better step out of my life, now, honey
'Cause I (know I'm tired of your lies
Well my heart's been breakin')]
I got nothin' left for this

[I give he keeps on takin'
(So it's time to say goodbye!)]

Yeah
[(Goodbye!!!)]

Yeah
[(Goodbye!!!)]

Your damn -??-
[(Goodbye!!!)]

You're comin' home

[Goodbye!]

Never comin' back, now

[Goodbye!]

Don't wanna waste a day

[Goodbye!]

Never had a choice, now

[Goodbye!]

Next time I'm walkin' away

[(Goodbye!

Goodbye!!!

Goodbye!!!

Goodbye!!!)]
