

Faithful

Marvin Sapp

He saw the best in me
When everyone else around
Could only see the worst in me

Can I tell ya?ll one more time, one more time?

I said he saw the best in me
When everyone else around
Could only see the worst in me
I wish I had a witness tonigth
All I need is one
Heyyy

He saw the best in me
(When everyone else around me)
When everyone else around (oohh)
(Could only see))
Could only see the worst in me

Does anybody have that testimony?
When folk walks you off
Said you would never make it, what did he see?

He saw the best in me
(When everyone else around you yea)
When everyone else around
(Ooohh, could only)
Could only see the worst in me

Can I tell ya?ll one more thing?
I just need to tell you one more thing

(Listen to this)

See he?s mine, and I am his
It doesn?t matter what I did
He only sees me, for who I am
Does anybody know that today?
Oh? Ohh

See he's mine, and I am his
It doesn't matter what I did
He only sees me, for who I am
Does anybody know that today?
(Help me sing it)

Said that he is mine
See he's mine
I'm his
And I am his
It doesn't matter what I did
It doesn't matter what I did
Cause he only sees me for who I am, yea.. yea..
He only sees me for who I am
