

# The Touch

[Stan Bush](#)

You got the touch, you got the power After all is said and done, you've never walked

You've never run, you're a winner

You got the moves, you know the streets

Break the rules, take the heat, you're nobody's fool You're at your best when when the goin' gets rough

You've been put to the test but it's never enough You got the touch, you got the power

When all hell's breakin' loose

You'll be riding the eye of the storm You got the heart, you got the motion

You know that when things get too tough

You got the touch You never bend, you never break, you seem to know

Just what it takes, you're a fighter, it's in the blood

It's in the will, it's in the mighty hands of steel

When you're standin' your ground And you never get hit when your back's to the wall

Gonna fight to the end and you're takin' it all You got the touch, you got the power

When all hell's breakin' loose

You'll be riding the eye of the storm You got the heart, you got the motion

You know that when things get too tough

You got the touch You're fightin' fire with fire, you know you got the touch

You're at your best when when the road gets rough

You've been put to the test, but it's never enough You got the touch, you got the power

You got the touch, you got the power
