

Alright

nelo

Iâ€™ve seen the eyes of a fading man- he brought it back again
How come here tears only dry up, when they can wash his hands
And down, down, down theyâ€™re rolling down- see her faith divide
And to say sheâ€™s mistaken- it keeps the time alive

And Iâ€™m sorry for tonight

I know the voices of your heart- they spoke of love the same
And echoed their dreams of mine to me, of which were mine to live
And down, down, down, I set you down- I turned the dreams to pain
And you should know I mean to take it all away

And Iâ€™m sorry for today

Well, I never shed the skin I know
Iâ€™d rather watch myself than be exposed
And since I chose the way that you know, well Iâ€™m not there, not there
Whoever said that love turns cold when an angry heart is all we know?
If we break the fallen angelâ€™s hold, then the rest is far from ever told

But Iâ€™m okay, Iâ€™m alright tonight
Iâ€™m okay, Iâ€™m alright tonight
Well, Iâ€™m alright

Iâ€™ve tasted every bit of your world- thereâ€™s not a sweeter thing
And if my debt runs so dry to you, I see a brighter day
And Iâ€™m dying for your heart right now to lift me up again
Hold your blessings in my hand for a time

Because Iâ€™m sorry for tonight

Well, I never shed the skin I know
Iâ€™d rather watch myself than be exposed
And since I chose the way that you know, well Iâ€™m not there, not there
Whoever said that love turns cold when an angry heart is all we know?
If we break the fallen angelâ€™s hold, then the rest is far from ever told

But Iâ€™m okay, Iâ€™m alright tonight
Iâ€™m okay, Iâ€™m alright tonight
Yeah, yeah, Iâ€™m okay, Iâ€™m alright tonight

Iâ€™m okay, Iâ€™m alright tonight

Yeah, yeah, well Iâ€™m alright
