Without You

Ross Lynch

When the crowd wants more
I bring on the thunder
'Cause you got my back
And I'm not going under
You're my point
You're my guard
You're the perfect chord
And I see our names together on every billboard
We're headed for the top
We got 'em on lock
We'll make 'em say "Hey!"
And we'll keep rocking!
There's no way I can make it without you
Do it without you
Be here without you
It's no fun when you're doing it solo
With you it's like whoa
Yeah and I know
I, own this dream
Cause I've got you with me
There's no way I can make it without you
Do it without you
Be here without you
You got the skills
And I'm bringing the fire,
You're the fuel to my rocket
And it's taking us higher
Yeah we got my flow
And we're blowin' it UP
All our fans are gonna scream!
'Cause they can't get enough
We're headed for the top
We got 'em on lock
We'll make 'em say "Hey!"
'Cause there's no stopping us
When we hit the same but different
Were never gonna quit
And we'll keep rockin', oh!
There's no way I can make it without you

Do it without you
Be here without you
It's no fun when you're doing it solo
With you it's like whoa
Yeah and I know
I, own this dream
'Cause I've got you with me
There's no way I can make it without you
Do it without you
Be here without you
(Yeah! Yeah! Yeah!)
I keep on rockin' with you
(Oh! Oh! Oh!)
And there's no stoppin us
(Yeah! Yeah! Yeah!)
I keep on rockin' with you
Ke-keep on rockin'
I, will keep on rockin!
There's no way I can make it without you
Do it without you
Be here without you
It's no fun when you're doing it solo
With you it's like whoa
Yeah and I know
I, own this dream
'Cause I've got you with me
There's no way I can make it without you
Do it without you
Be here without you!
Woaaah
Be here without you
Woaahoh
Be here without you - out you - out you
Be here without you - out you - out you!
