All Or Nothing

Whitesnake

Tonight's the night to come in out of the cold
I've waited such a long, long time
I'm getting out of control
All or nothing that's what I want from you
I'm gonna give you everything I got
Now what are you gonna do?Don't try running away
You know you get nothing that way
'Cause it's too lateI'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore
'Cause it's too late for you nowMy heart is burning an' the fire is hot
My temperature is rising, rising, rising
I'm ready to rock
All or nothing I'm gonna make you see
I've made up my mind, for sure, this time
You're gonna spend the night with meDon't try running away
You know you get nothing that way
'Cause it's too lateI'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore
'Cause it's too late for you nowAnd you're gonna burn
Baby baby babySo don't try running away
You know you get nothing that way
'Cause it's too lateI'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore
'Cause it's too late for you nowToo late
I'm gonna prove it to you
Too late
I'll do what you want me to do
Too late
You can't run anymore
'Cause it's too late for you now
