

Deliver Us (Saints Row 4 OST)

In Flames

Remind me I'm golden
The fortress above the sun
Why don't you spend nowhere with me?
Follow the river and the path of the ones trying the names
Of the shore
Forever I can't find
Struggling in a world of this fine
Or this life
I don't want it to be
I'm not in to live
Fly into the distance
Disappear for a while
I don't know the sence of this
But it is too late feeling alive
Destruction for the power
Let me take control (Eliminance)
This is nothing more
Something now you'll find again (Deliver us)
Can't live the worse, you say?
Does it really matter?
I'd give the world to you if you just
Fly into the distance
Disappear for a while
I can't make sense of this
Are we there to take a ride?
Fly into the distance
Disappear for a while
I can't make sense of this
But we're in to take a ride
