Big Daddy Weave

Broken and poured out for the love of His creation
God paid a debt that He didn't owe
Bearing my pain for not one was His equal
And wearing my shame so that I could know him He gave us all He had to give
So that we could truly live
So let's give all we have to Him
So that we can be completely free And as they placed the thorns on His brow
As they drove the nails into His hands and His feet
He looked past the moment
To where we are now
And gave us the victory
From what seemed His defeat He said here's my body
It's broken in two
Here is my blood let it cover you
All that I have is now yours to receive
Payment in full so that you could be free
