

# 2Nite

## Janet Jackson

Somethin' in the air is got me feelin'  
Like I want it 2nite  
Somethin' in the air is got me feelin'  
Like I want it 2nite Close the door and dim the lights  
Make me feel wonderful and feel tonight  
I like control, so let me ride  
If you're strong, hold on and forget the time If you're curious, don't you wanna know  
(Don't you wanna know, wanna know)  
Justify your peek, my love can go  
Somethin' in the air tonight I don't want to be alone  
I need you to keep me warm  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I'm, baby 2nite But I feel this so, so real  
I want you to take me there  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I want it 2nite My body's here, I'm soakin' wet  
I wanna give you somethin' that you won't forget  
Your appetite you're so for me  
Maybe you can have it all, we'll just wait and see If you're curious, don't you wanna know  
(Don't you wanna know, wanna know)  
Justify your peek, my love can go  
Can't you feel it, somethin' in the air tonight I don't want to be alone  
I need you to keep me warm  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I'm, baby 2nite But I feel this so, so real  
I want you to take me there  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I want it 2nite Boy, you're what I want, give it all you got  
Please don't ever stop  
Doin' that thing to me, yeah, keep doin' that thing to me, yeah  
Is this what you like  
Don't make sense to fight, do it all night  
Keep doin' that thing to me, yeah This is what I want, we both know  
That the time is so right  
(Time is so right)

Boy I need, you so much  
(So much)  
Please don't leave me alone  
(Leave me alone)  
Tonight Don't leave me tonight  
Don't leave me alone tonight  
Don't leave me tonight  
Somethin' in the air tonight Oh, I don't want to be alone  
I need you to keep me warm  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I'm, baby 2nite But I feel this so, so real  
I want you to take me there  
Baby reach out, touch me  
Somethin' in the air is got me feelin'  
Like I want it 2nite
