

Great Divide

Hanson

The earth is shaking under siege
And every breath we'll meet is fate
Still we hunger for a moment of freedom
Even though the hour is late I find hope and it gives me rest
I find hope in a beating chest
I find hope in what eyes don't see
I find hope in your hate for me
Have no fear when the waters rise
We can conquer this great divide When every eye is one the fortune
It can only breed contempt
They say blood is thicker than oceans
Still we box our brothers in I find hope and it gives me rest
I find hope in a beating chest
I find hope in what eyes don't see
I find hope in your hate for me
Have no fear when the waters rise
We can conquer this great divide Whoa, 000, 000, 000 000
Whoa, 000, 000, 000 000
Whoa, 000, 000, 000 000
And we're gone
And we're gone
And we're, holding on
And we're, holding on
And we're, holding on I find hope and it gives me rest
I find hope in a beating chest
I find hope in what eyes don't see
I find hope in your hate for me
Have no fear when the waters rise
We can conquer this great divide Whoa, 000, 000, 000 000
Whoa, 000, 000, 000 000
Whoa, 000, 000, 000 000
