Ordinary Day

Matt Bianco

This big-time ride is all I know
A picture-perfect life on show
Stellar nights that never end
And people claim to be your friendBut you are the one I need
No place I'd rather be
Here only I can breathe
Love is a simple thing for free
Please don't take that away from me
Forgive me if it sounds mundaneWhat matters now is our ordinary day
ordinary day
What matters now is our ordinary day
ordinary day, ordinary dayDon't say big words or even try
To build me castles in the sky
No clever tales if true who knows?
I choose the plainly spoken proseBut you are the one I need
No place I'd rather be
Here only I can breathe
Love is a simple thing for free
Please don't take that away from me
Forgive me if it sounds mundaneWhat matters now is our ordinary day
ordinary day
What matters now is our ordinary day
ordinary day, ordinary daycause you are one i need
theres no place id rather be
cause love is free and simple
please you cant take that away from me
excuse me if its all the same
what matters now is our ordinary dayWhat matters now is our ordinary day
ordinary day
What matters now is our ordinary day
ordinary day, ordinary day[fade]
