

# Dogs Can Grow Beards All Over

## The Devil Wears Prada

Welcome to the war; a martyr's challenge  
Chainsaw brutality tornado strength  
King of the diamond, king of the grave  
Lawlessness stains black on whitewashed tombs  
We're too strong to compromise  
Don't be ashamed of your faith  
Dear Lord, deliver me from hypocrisy  
And surcease the scarlet desire  
He wears a slick jacket and gold watch  
Her dishonesty has scarred hands
