

Strange Encounter

Father John Misty

Only ever be the girl who just almost died in my house
Half naked, looking through your telephone
Run you a bath and try hard not to freak out[Pre-Chorus]
It's all free and too easy, giving it away, giving it away
It's not cheap but here I am, giving it away, giving it away
Giving it away[Chorus]
Don't be my, don't be my, don't be my last strange encounter
The moment you came to, I swore I would change
Though neither one of us would leave unscathed
At least we'll both go on livingWanna find somebody
Not like this
Yeah, I'm a decent person
Little aimless[Pre-Chorus][Chorus]
