Comment Allez-Vous

Blossom Dearie

(Parlez-vous FranÃ§ais?)
Mais oui, allons-y
(AprÃ¨s-vous, chÃ¨re madame?)
Comment allez vous? Fancy bumping into you
Comment allez vous? Tell me everything that's new
Are you happy are you sad?
Feeling good or feeling bad?
(and is there anything you're craving?)
(do you feel like misbehaving?)
Comment allez vous? Gee, it's nice to see you here
Comment allez vous? You look better every year
I was really on my way, but I had to stop and say:
Comment allez vous?
(Comment allez vous petit chou?)
Say it, it has 'savoir faire'
(Comment allez vous mon minou?)
Has a continental air
(once she heard it in the land, from a chinese laundry man)
Cloaks and suitors, by the oodles, say it to their cute french poodles
Comment allez vous?
Spaniards say it, so do Greeks
Comment allez vous?
In the desert, so do Sheiks
(show they know a thing or two)
(it's so easy, why can't you say...?)
Comment?
Comment?
Comment?
Comment allez vous?
