

# Comment Allez-Vous

## Blossom Dearie

(Parlez-vous Français?)  
Mais oui, allons-y  
(Après-vous, chère madame?)  
Comment allez vous? Fancy bumping into you  
Comment allez vous? Tell me everything that's new  
Are you happy are you sad?  
Feeling good or feeling bad?  
(and is there anything you're craving?)  
(do you feel like misbehaving?)  
Comment allez vous? Gee, it's nice to see you here  
Comment allez vous? You look better every year  
I was really on my way, but I had to stop and say:  
Comment allez vous?  
(Comment allez vous petit chou?)  
Say it, it has 'savoir faire'  
(Comment allez vous mon minou?)  
Has a continental air  
(once she heard it in the land, from a chinese laundry man)  
Cloaks and suitors, by the oodles, say it to their cute french poodles  
Comment allez vous?  
Spaniards say it, so do Greeks  
Comment allez vous?  
In the desert, so do Sheiks  
(show they know a thing or two)  
(it's so easy, why can't you say...?)  
Comment?  
Comment?  
Comment?  
Comment allez vous?
