

Big Strong

James Brown

They say loving nothing but the blues
Everybody got the blue sometimes
They say that loving nothing but the blues
And everybody got the blue sometimes
Come on over here, try me, baby

Get a taste of this blues of mine
I wanted you to know what it mean to be in love
Do you know what it means to be mistreated day and night?
Do you, do you, do you, do you know what it means to be in love?
Do you know what it means to be mistreated day and night?
Most of all when you love someone
You always take the wrong instead of the right
Lord, I wanna ask you
Ain't it blue?
