

# No Mozart

## Natasha Bedingfield

Too many things go unsaid  
'Cause you think you can't say them right  
Get them out in the open  
Instead of all bottled up inside  
'Cause I don't mind  
If it comes out all emotional  
And I don't mind  
As long as what you say is real  
I know you're the kind of man  
Who wants to show your best side  
But we can't always be perfect  
And that's alright  
Don't over think it  
You don't have to perform for me  
You want to know how to touch me  
Well, it's easy  
Oh, it's like playing the piano  
Oh, I don't care if there's a few wrong notes  
You don't have to be a Mozart  
If you just play it from the heart  
Oh, oh, it's like playing the piano  
Oh, your fingers know just where to go  
And you don't have to be a Mozart  
If you just play it from the heart, yeah, yeah  
Ah, if you just play it from the heart, ooh  
I know once something's been spoken aloud  
It can't be taken back  
But don't be too proud  
Too proud to risk that  
Between the tension  
The major and the minor chords  
There's a magic we're waiting for  
We're waiting for  
  
Oh, it's like playing the piano  
I don't care if there's a few wrong notes  
You don't have to be a Mozart  
If you just play it from the heart  
Oh, oh, it's like playing the piano

Oh, your fingers know just where to go  
You don't have to be a Mozart  
No, if you just play it from the heart  
Oh, the way you're playing that piano  
I got a Mozart of my own  
The way you're running up and down those keys  
Sounds like a symphony to me  
Oh, oh, oh, oh, oh, oh  
Ooh, you wanna know how to touch me  
Well, it's easy  
Oh, it's like playing the piano  
Oh, I don't care if there's a few wrong notes  
Oh, you don't have to be a Mozart  
If you just play it from the heart  
Oh, oh, it's like playing the piano  
Your fingers know just where to go  
You don't have to be a Mozart  
If you just play it from the heart  
Oh, it's like playing the piano  
Oh, I don't care if there's a few wrong notes  
Oh, you don't have to be a Mozart  
If you just play it from the heart  
Oh, oh, it's like playing the piano  
And your fingers know just where to go  
You don't have to be a Mozart  
If you just play it from the heart, yeah, yeah  
And you just play it from the heart, yeah, yeah  
You just play it from the heart, yeah, yeah
