

# Identify

## Mad Maks

Some things are out of my hands,  
I'm what time and consequence have made me  
Sit back and watch the world explode,  
Three, two, one here come the fireworks, baby  
Some times you can feel so smart,  
just like a ghost in school clothes  
But my days, although mostly hazy,  
Three, two, one here comes the hurricane baby  
Yeah, identify, identify,  
Yeah, identify, identify  
Don't stand in line, identify  
Yeah, I bought the last plane ticket to the end of the world  
Who ever says 'the good die young'?  
All the boys are alive, all the boys are with girls,  
Time to give 'em what they're waiting for  
If the drugs don't work,  
then you probably need more  
If the drugs don't work,  
then you probably need more  
Time to give 'em what they're waiting for  
Yeah, identify, identify  
Yeah, identify, identify  
Don't stand in line, no don't stand in line  
Identify, identify  
Some things are out of my hands
