

# Paradise

## MNEK

If you wanna leave  
if you wanna gobaby don't leave  
why don't we go  
somewhere somewhere somewhere somewherewhy don't we go  
somewhere somewhere somewhere somewhereWould you like to go to paradise  
Cos I'm not tryna go alone  
Runaway with me to paradise  
If you wanna leave, then we can go  
Cos the real world told me lies  
The realest lies ever told  
so let's run away and find paradise  
paradise  
and soon paradise will be home  
If you wanna leave  
if you wanna go  
baby don't leave yettake my hand, shut your eyes and imagine  
wouldn't it be nice  
just to have, an escape, a distraction  
far away from this life  
I tried to be cool but this world's too cruel  
for me, to sit around, & simply drown in fear  
so I'm asking you, what would you do  
if we could get out of hereWould you like to go to paradise  
Cos Im not tryna go alone  
Runaway with me to paradise  
If you wanna leave, then we can go  
Cos the real world told me lies  
The realest lies ever told  
so let's run away and find paradise  
paradise  
and soon paradise will be home  
If you wanna leave  
if you wanna go  
baby don't leave yetyour love's like a fantasy  
nothing like what I saw on the news yesterday  
another man down, blood on the ground  
makes me wanna just runaway  
where we run is a mystery  
ignorance is bliss to me

cos whenever I turn on my tv it's just misery  
I tried to be cool but this world's too cruel  
for me, to sit around, & simply drown in fear  
so I'm asking you, what would you do  
if we could get out of here  
Would you like to go to paradise  
Cos I don't wanna go alone  
Runaway with me to paradise  
If you wanna leave, then we can go  
Cos the real world told me lies  
The realest lies ever told  
so let's run away and find paradise  
paradise  
and soon paradise will be home(Paradise is an escape)  
Hooooome  
(If you wanna leave if you wanna go)  
Hooooome  
(If you wanna leave if you wanna go)  
Paradise is in the mind baby  
Paradise is in the mind baby  
it won't take too long to find baby  
Paradise is in the mind baby  
In Paradise we're free  
to do what we want to do  
we're free  
baby
