

Forever Ill

[Hopsin](#)

Advisory - the following lyrics contain explicit language:

niggas wishing i fell off
but I'm forever ill that's by law
these commercial niggas keep jockin'
killing's my only option
Ask about me boy I get shit poppin'
My minds telling me
KILL ALL THESE NIGGAS (Pound Syndrome)
There is no limit to my madness I'mma smash it, smash it, smash it
Bitch
