CRUNK JUICE

Songs To Wear Pants To .Com

A BME click, yeah, we back mothafuckas
The Kings of mothafuckin' crunk, yeah
Lil Jon, Lil Bo, Big Sam, the BME click
It's time for some mothafucka crunk juice
Get some crunk juice in yo system
Now this is about to be

The most incredible experience
You ever felt in your fuckin' life
So sit back, smoke a blunt
And turn this shit up
Let's go, hey, let's go, hey, let's go
Stop that shit, let's go, right now
