

# Song Slowly Song

**Tim Buckley**

With your beautiful hair  
And your sixteen years  
You kissed me as I lay still If I can see you never  
Then I'll sleep forever  
All my lonely love to kill With your beautiful hair  
And your sixteen years  
You kissed me as I lay still If I can see you never  
I'll sleep forever  
All my lonely love to kill
