- 1) youl never know I cried , when I found out you  
    lied  
for Ive been hangin on this teardrops in my heart
- 2) my eyes dare not reveal , the way I realy feel  
    because I know Il cry my heart out if I start  
    \* though Im pretending , that I dont care  
    to be with you my darlin , is my prayer
- 3) but way down deep inside , I cant give up my pride  
    so Ill just keep on hiding teardrops in my heart
