

Without Walls

Tracedawn

I am standing here alone its so cold
My heart in this world alone
And my thoughts are my prison
I'm the one that's what I announcedI'm supposed to walk my own path
But too late I realized
You were the corner stone of my road
But now that path behind is too longI wipe my wasted tears of ice
No one will wipe them for me
In my prison in my heart
I live inside me
Million times I've tried escape
Wall wall wall wallI always wanted to write my own book
Wanted to keep the foreign ink away
You're the only one in my world
With warm blood in my veins
