Nothing in This World

Paris Hilton

Da da, da da da da da
Da da, da da da da daSo I was thinking to myself when you passed me by
Here's what I like
And do it with somebody else but you can't deny
That's me in your eyeDo you know what it's like
When it's wrong but it feels so right?Nothing in this world can stop us tonight
I can do what she can do so much better
Nothing in this world can turn out the light
I'm gonna make you feel alright, tonightDa da, da da da da da, tonight
Da da, da da da da daBaby, you and I we got what will never be
You know I'm right
So tell me what you're waiting for when you're here with me
Most guys would dieYou should know what it's like
When it hurts 'coz it feels so rightNothing in this world can stop us tonight
I can do what she can do so much better
Nothing in this world can turn out the light
I'm gonna make you feel alright, tonightDa da, da da da da da, tonight
Da da, da da da da daI gotta tell you something
It's something that you just might like
No, it's not the same thing
Yeah, you'll learn I'm not too shy
You and I we can do this thing tonightNothing in this world can stop us tonight
I can do what she can do so much better
Nothing in this world can turn out the light
I'm gonna make you feel alright, tonightNothing in this world can stop us tonight
I can do what she can do so much better
Nothing in this world can turn out the light
I'm gonna make you feel alright, tonightDa da, da da da da da
Da da, da da da da da, tonight
Da da, da da da da da
Da da, da da da da daDa da, da da da da da
Da da, da da da da da
Da da, da da da da da
Da da, da da da da da, tonightDa da, da da da da da
Da da, da da da da da, tonight
