

# How Much Cake Can You Eat

## They Might Be Giants

The shining spoons of this town  
All point in your direction  
Can you keep a secret?  
We can trust you, we can throw you  
Are you sitting on your feet?

How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?  
Are you sitting on your feet?  
How much cake can you eat?
