

Spread Your Wings

System F

Spread your wings, spread your wings, spread your wings

Spread your wings and fly with me

Fly with me

I'm an angel set me free

Spread your wings and fly with me

Fly with me

Come with me I'll set you free

Spread your wings and fly with me

Fly with me

I'm an angel set me free

Spread your wings and fly with me

Fly with me

Come with me I'll set you free

I'm an angel in disguise

You don't see the things that I see

Take my hand put your faith in me

And I will show you the world

[Through my eyes]

Spread your wings and fly with me

Fly with me

I'm an angel set me free

Spread your wings and fly with me

Fly with me

Come with me I'll set you free

Spread your wings and fly with me

Fly with me

I'm an angel set me free

Spread your wings and fly with me

Fly with me

Come with me I'll set you free, yeah

I'll set you free, yeah

Oh ohohooo
