

# Bring Me All Your Lovin'

Trisha Yearwood

Please don't bring me flowers  
Tied up in a pretty bow  
I'd trade a thousand roses  
For just one hand to hold  
And I don't want no candy  
Sugar hurts my teeth  
All I want is you tonight  
That'd be really sweet [Chorus: ]  
There's nothin' at the five and dime, that I really need  
Your kiss is the only gift that means a thing to me  
Bring me all your lovin'  
That's somethin' you ain't tried  
Bring me all your lovin'  
And I'll be satisfied  
I don't want a poem  
Written fancy on a card  
I'd rather have I love you  
Scribbled on my heart  
And I won't wear a new dress  
From a downtown store  
Wrap me up in your arms  
And baby I'll be yours [Chorus: ]  
There's nothin' at the five and dime, that I really need  
Your kiss is the only gift that means a thing to me  
Bring me all your lovin'  
Something you can't buy  
And I'll give you all of mine  
Bring me all your lovin'  
Throw your presents in the creek  
Bring me all your lovin'  
And I'll be tickled pink
