

Praise You

The Collingsworth Family

Verse 1

There is no place, where you are not there
Iâ€™ll never drift from your love and care
Thereâ€™s not a thing about me that you donâ€™t know
The wings of the morning will take me to you
The blackness of night your light will shine through
Youâ€™re already there no matter where I may go

Verse 2

Even before I came to
Your loving eyes were looking at me
You're even closer than the very breath I take
Mother and Father, more than a friend to me
Beginning and ending and living a life to me
The song I find myself singing when I awake

Chorus

So, I will praise you
Lord, I praise you
Now, I praise you
For bearing me up and giving me wings
For lifting my sights to heavenly things
For being the song I canâ€™t help but sing
Praise you

Verse 3

Look at me Lord Iâ€™m open to you
Do anything that you want to do
You know me even better than I know myself
Iâ€™ll not be afraid of what you can see
For you know the person inside of me
I wonâ€™t even try to hide what you know so well

Verse 4

Lord just be patient with my mistakes
I want to be yours whatever it takes
Iâ€™ve learned that life without you is no life at all
Failures and talents, schemes I bring to you
Aspirations and dreams I sing to you

Iâ€™ll just be here, ready whenever you call

Chorus

Praise you (x3)
