Brother's Boat

Eliza And The Bear

We felt the ocean air,
In your brothers boat.
He felt the time was right
To let it go
To let it go
let it go (oh)
Cause when i'm old
my bones don't creak
but I am shaking in my sleep
I am shaking in my sleep
I am shaking in my sleep
You let your family go
When you let your family home
You let your family go
When you let your family home
Just let it go
Just let it go
Just let it go (go)
Just let it go (go)
Just let it go (go)
Just let it go (go)
I ask of you to walk for me
Because my bones ain't what they used to be
I only ask of you to walk for me
Because my bones ain't what they used to be
I only ask of you to walk for me (we still call them houses)
Because my bones ain't what they used to be (do ya)
I only ask of you to walk for me (do ya)
Becasue my bones ain't what they used to be (do ya)
You let your family go
When you left your family home
You let your family go
When you left your family home
You let your family go
When you left your family home
You let your family go
End
