

# Ev'ry Day (I Fall in Love)

**Joe Williams**

Ev'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it newEv'ry day I'll let you know that my Valentine is you  
We'll live the sweetest story told  
Like honeymooners doAnd each thing I do I'll do to prove to you  
That romance never will die  
It may be a word or a sigh, a gift that I'll bring  
And as the years go byEv'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it newI'll never let our love grow old  
I'll always keep it newWe'll live the sweetest story told  
Like honeymooners doAnd each thing I do I'll do to prove to you  
That romance never will die  
It may be a word or a sigh, a gift that I'll bring  
And as the years go byEv'ry day I'll fall in love all over again with you  
I'll never let our love grow old  
I'll always keep it new
