

She Don't Love Me (feat. Chris Brown)

Boosie Badazz

Oh girl

I been looking for somebody who gon' hold me down in this cold world

Where you girl? OhOh girl, (She don't love me like she say she do)

Oh girl, (She don't love me like she say she do)

Oh girl, (She don't love me like she say she do)

Oh girl, (If she did then why she say she do?)

Oh, (She don't love me like she say she do)

Oh, (She don't love me like she say she do)

Oh, (She don't love me like she say she do)

She don't do the shit she say she doMonday, she acting like she don't really miss me

Tuesday, I feel a difference in her kiss

Wednesday, we se, we argue when we finish

Thursday she tripping, club all night Friday

Stand by me, Whitney and Bobby, be my rock girl

Paparazzi no freedom but at the house girl

And baby I don't wanna leave ya, baby I don't wanna leave

But baby, I don't really need ya either

Frontin' hard I'm scared to love

Perfect career, perfect face and that ass, ooh I'm scared of her

Got too much to lose, doing you, but you worth it

If we make it we deserve itOh girl

I been looking for somebody who gon' hold me down in this cold world

Where you girl? OhOh girl, (She don't love me like she say she do)

Oh girl, (She don't love me like she say she do)

Oh girl, (She don't love me like she say she do)

Oh girl, (If she did then why she say she do?)

Oh, (She don't love me like she say she do)

Oh, (She don't love me like she say she do)

Love, (She don't love me like she say she do)

She don't do the shit she say she do(Let me tell you 'bout oh girl)

She say she me ride or die but she barely smile

Went to prison you acting different, where you at now?

I need a soldier, someone real, someone to come get me

When all odds against me, I need a Navy Seal

If that you can't do, you don't love me like you say you do

Loyal and honesty, the only way we make it through

Sometimes, she be sweet as cotton candy

But most time, she look at me like she can't stand me

I need sunshine, a bad chick to make me happy

Sex me laughing, text me something nasty
System against me, the world call me a outcast
So I need a down chick, if you ain't down, you down badOh girl
I been looking for somebody who gon' hold me down in this cold world
Where you girl? OhOh girl, (She don't love me like she say she do)
Oh girl, (She don't love me like she say she do)
Oh girl, (She don't love me like she say she do)
Oh girl, (If she did then why she say she do?)
She don't love me like she say she do
She don't love me like she say she do
She don't love me like she say she do
But she don't do the shit she say she do
