Queen Bee

Taj Mahal

Sweeter than a honey bee, yeah, baby been sweet on me
Sweeter than a honey bee, yeah, my queen bee
Oh she rock to my soul, mama love me to my soul
Love me to my soul, oh she rock me to my soul

She's a strutter, she can shake it some yeah, oh watch her now look at her run
A strutter, she can shake it some, oh dancing having fun
She love me to my soul, oh she love me to my soul
Oh love me to my soul oh rock me to my soul

Honey in the honey pot and, your pot is hot
Honey in the honey pot and the pot is what you got
To lova rocka rocka me to my soul
Oh love me to my soul, rock me to my soul

Oh love me to my soul, rock me to my soul
Baby won't you come by me yeah, spare me this misery
Sugar won't you come by me, oh I know you'll agree, 'gree, 'gree, 'gree
To love me to my soul, oh to rock me to my soul

Ooh rock me to my soul, oh rock me to my soul
Sweeter than a honey bee oh, baby been sweet on me
Sweeter than a honey bee oh, my queen bee
Oh she rock me to my soul, oh rock me to my soul

Oh she rock me to my soul, oh rock me to my soul
These songs were made for lovers
Lovers and lovers and lovers and lovers and lovers
And lovers and lovers and lovers, And lovers and lovers

My soul, my soul
Queen bee
Queen
