Bummer

JEFF the Brotherhood

I can't remember much at all happened last night
Woahh Woahh Woahh

I must have taken a pretty bad fall on my way home
Woahh Woahh Woahh

Ooooh
I can't
No

Ooooh
I can't
No

I can't see
I can't see
I can't see through this dream

We must be drinking a little to much on the weekends
Woahh Woahh Woahh

I have been aching for your touch I'm bumming so much
Woahh Woahh Woahh

Ooooh
I can't
No

Ooooh
I can't
No

I can't see
I can't see
I can't see through this dream
