

# Bummer

## JEFF the Brotherhood

I can't remember much at all happened last night  
Woahh Woahh Woahh

I must have taken a pretty bad fall on my way home  
Woahh Woahh Woahh

Ooooh  
I can't  
No

Ooooh  
I can't  
No

I can't see  
I can't see  
I can't see through this dream

We must be drinking a little to much on the weekends  
Woahh Woahh Woahh

I have been aching for your touch I'm bumming so much  
Woahh Woahh Woahh

Ooooh  
I can't  
No

Ooooh  
I can't  
No

I can't see  
I can't see  
I can't see through this dream
