

Here Is Your Paradise

[Chris de Burgh](#)

I never knew love could be a silence in my heart
A moment when the time is still
And all I've been looking for is right here in my arms
Just waiting for the chance to begin
Never knew love could be the sunlight in your eyes
On a day that you may not have seen
And all I've been searching for, well words could never say
When a touch is more than anything
Maybe you will never know how much I love you
But of this, be sure
Here is your paradise, here is your book of life
Where you and I will be forevermore
Here is your paradise, here is your book of life
You and I will be forevermore
And in the dark night, you'll follow the bright light
And go where the love must go
And you will wake in the morning to a brand new day
Take all your worries away
Maybe you will never know how much I love you
But of this, be sure
Here is your paradise, here is your book of life
Where you and I will be forevermore
Here is your paradise, here is your book of life
Where you and I will be forevermore
