

Comeback Kid

Kip Moore

I'm a new used car with a couple dents
And I'll get where I'm going
'Cause I know where I've been
When it all goes south, I'm gonna rise again
Just call me the comeback kid I'm a hail Mary pass on homecoming night
Six points down with the clock ticking by
Come hell or high water I still believe I can win
Just call me the comeback kid (Oh, oh, oh) girl, I'm glad that you never did
(Oh, oh, oh) lose faith in this comeback kid Baby, all life's bullets I've took to the chest
Should've buried me alive, should've left me dead
But when I reach for that white flag
You won't let me quit
And you call me the comeback kid (Oh, oh, oh) girl, I'm glad that you never did
(Oh, oh, oh) lose faith in this comeback kid Someday I'm gonna get you that white picket fence
And that little pink house just like Mellencamp said
'Cause I want to taste the good life
Before the Lord puts us to bed Girl, keep holding on, keep hangin' in
(Oh, oh, oh) don't ever do what you never did
(Oh, oh, oh) don't give up on this comeback kid
(Oh, oh, oh) girl, I'm glad that you never did
(Oh, oh, oh) lose faith in this comeback kid Just keep holding on
Just keep holding on
Just keep holding on
